THE SPACE

The Space is temporarily closed due to the increase in COVID-19 cases in our county.

CURBSIDE PICKUP

We are currently offering curbside pickup during our business hours. Please call or email PSC to place your curbside pickup order.

SALON CONSULTANTS

Some of our consultants have started to return to meeting with salons in person based on the area that they are in and both their safety and comfort level as well as the salon's. The majority of our consultants have been connecting with salons via phone, email and/or video conference. If meeting in person, our consultants are required to wear a face mask and we ask that the person they are meeting with wears one as well.

EDUCATION

In-salon Education has resumed and we are starting to offer some virtual education. As the COVID-19 situation improves we will add onsite education. Safety guidelines will be implemented both in-salon and on-site to ensure the safety of everyone. We continue to encourage you to take part in some of the abundant educational offerings and support material that our Manufacturer partners facilitate online as well.
