

GET TO KNOW ME

Robbie Harris—Davines Educator

Q: What advice would you give your younger self starting in the industry?

A: To not be so hard on myself, it's okay to keep learning and keep practicing!

Q: What are your favorite products for the brand that you educate for?

A: I love the replumping shampoo and conditioner from natural tech, adds moisture but so light! And liquid spell, it's a 2 in 1 product!

Q: Tell us about your Educator Role and what can we expect in the future?

A: I've been educating with Davines for a year and I expect to keep going to salons and help them understand and love Davines as much as I do!

When I'm not behind the chair...

I'm probably in the gym, or walking my dog :)

Fun Facts:

If you could pick a superpower, what would you choose? Quick transportation, then I wouldn't get car sick

What is one random fact about yourself? I used to play softball and almost went to college for that in Alabama!

If you could travel anywhere in the world, where would you go and why? Bora Bora, I'd love to stay on the water and see the blue water every morning :)

What was your favorite subject when you were in school? Math, love numbers!

What is the coolest thing about your job? I create amazing relationships with so many people and be apart of their day :)

What is your favorite Movie? Halloween with Michael Meyers

Do you have any pets? If so, tell me about them (what kind, name, age):
Draco, he is a 4 year old husky with one blue eye and one brown eye, a big cute brat lol
